HELPS PEOPLE IN MANUFACTURING CONTROL THEIR DESTINY EVERY DAY

### Biography

Applications Engineer  
**Trey Starnes**

Trey Starnes is based out of our St. Louis office. He provides training services and solutions. He has more than 20 years of hands-on experience in all aspects of CNC machining operations.

Trey has been with Hartwig, Inc. for 6 years. He is responsible for the direct training of client operators on the factory floor and is required to get machines making good parts. Trey's functions are not only to train, but also to provide process consultanting abilities to produce time studies, reduce cycle times and increase productive with the proper machine and tooling.

By understanding the needs to meet client requirements in a timely professional manner Trey is a true asset to the Hartwig, Inc. team.
